Atlas Shrugged holds a terrifying immediacy, if one can envision today's prosperity holding the seeds of tomorrow's decadence. Except in the isolated cases of unrealized potentials of invention, she has tapped few of the now-evident clues to our immediate mechanical future. One finds it difficult to gauge the time span here.

## ATLAS SHRUGGED | Kirkus Reviews

What Is Atlas Shrugged? Atlas Shrugged is Ayn Rand's magnum opus. It is your classic dystopian novel (my favorite genre, if you haven't caught on by all my other reviews). It highlights a well-functioning, self-sufficient country (USA) that later turns into a

Book Review: Atlas Shrugged by Ayn Rand In early  
1945, Ayn Rand embarked on the work which would  
eventually be considered her literary masterpiece.  
With a working title of The Strike, she diligently filled  
numerous notebooks, detailing her characters, plot,

The Salt Lake Tribune, December 1957. Several years ago when Ayn Rand's *The Fountainhead* appeared we read it with a great deal of pleasure and so, upon seeing *Atlas Shrugged* looked forward to a good novel — if an extremely long one (1,168 pages).

*Atlas Shrugged* by Ayn Rand (1957) - a review ...

If you want to get the gist of the philosophy without having to read the entire book, I suggest reading the *Atlas Shrugged* Cliff Notes or *Rand's Virtue of Selfishness* instead. Both are much more concise and more to the point of Ayn Rand's themes. Overall, *Atlas Shrugged* is OK from a literary standpoint, and I give it 6 out of 10 stars. From a philosophical view, I give it

Atlas Shrugged is absurd but strangely compelling|  
Books ...

Tremendous in scope, breathtaking in its suspense,  
"Atlas Shrugged" stretches the boundaries further  
than any book you have ever read. It is a mystery, not  
about the murder of a man's body, but about the  
murder - and rebirth - of man's spirit.

Atlas Shrugged is a book you cannot shrug off, and it leaves a mark on you, it alters your thinking, and it is just as relevant in the age of Trump as it ever was, or perhaps more so. Before I get into the movie review, therefore, here is my plug. Go and read Atlas Shrugged, it is worth it, and it will change the way you think about our society.

## Atlas Shrugged Introduction | Shmoop

I was prepared to cringe at this Atlas Shrugged, universally panned by the critics for its low budget and no-name cast. Instead, I was pretty impressed. The story was faithful to the book, and the message and narrative clear, with the producers wisely sidestepping most of Rand's stilted polemics.
