However, this does not mean that we should ignore English grammar completely. Needless to say, basic English grammar rules play an important role in learning English, both written and spoken. Without grammar rules, you can sometimes make yourself understood with short and simple expressions. However, you may fail most of the time with more complicated expressions that require the correct orders or structures of words. Understanding English Grammar
Grammar consists of eight parts
of speech — nouns, determiners,
pronouns, verbs, adjectives,
adverbs, prepositions, and
conjunctions. It consists of
structural rules and arrangement
of words and phrases, governing
the formation of a sentence. It is
a misconception that grammar is
about rigidity or set principles.
