Purity and Danger: An Analysis of Concepts of Pollution and Taboo is a 1966 book by the anthropologist and cultural theorist Mary Douglas. It is her best known work. In 1991 the Times Literary Supplement listed it as one of the hundred most influential non-fiction books published since 1945. It has gone through numerous reprints and re-
editions (1969, 1970, 1978, 1984, 1991, 2002).

Douglas ' work is yet another recommendation from Dr. J, who read it when she was 16, it is an old publication associating purity with secular manifestations (primarily dietary restrictions). Unlike Moore Jr. ' s work on purity, Douglas ' theory differs enough from Freud to be considered a separate conceptualization.

book, which is written in a very graceful, lucid and polemical style, is a symbolic interpretation of the rules of purity and pollution. Mary Douglas shows that to examine what is considered as unclean in any culture is to take a looking-glass approach to the ordered patterning which that culture strives to establish.

Purity and Danger - Monoskop
In Purity and Danger: An Analysis of Concepts of Pollution and Taboo, she delves in great detail into existing arguments that portray traditional societies as “evolving” from “savage” beliefs in magic, to religion, to modern science, then explains why she believes those arguments are wrong. She also adeptly

Purity and Danger: An Analysis of Concepts of Pollution and Taboo - Evening All Afternoon. The most surprising thing about reading Mary Douglas's 1966 anthropological classic Purity and Danger: An Analysis of Concepts of Pollution and Taboo, was my sheer enjoyment of the thing. This is a theoretical work, written less for a lay audience than for Douglas's fellow cultural anthropologists, and yet her style is clean and lively, with barbs of wit to keep things interesting.

Purity and danger are two concepts one can find in any society and any culture. Purity and danger are two themes that concern everybody in one ' s daily encounters, from the miraculous to the quotidian. And yet, each culture has its own taboos, its own rituals, and its own formulations of what constitutes as pure and as dangerous.
