Accounting firms are under increasing pressure to cut audit costs or provide more value to clients. Finding ways to do more with less is no longer simply

Online Library Caseware

a business objective, but rather an imperative for their long-term success.

CaseWare brings new levels of efficiency to the audit process. Using our Working Papers solution, members of your audit team can work on a work paper at the same time without needing to be concerned about different versions.

Online Library Caseware

Managing Work Papers (Accounting Firms) | CaseWare

CaseWare Working Papers will require up to 1GB of hard drive space for the download and installation yet will require a minimum of 5.5GB total storage. This will be in addition to any space required to update your Windows or Mac operating system.

Online Library Caseware

Additional hard drive space is required for templates and engagement files.
