~~Democracy Abroad, Lynching at Home: Racial Violence in ...~~

Democracy Abroad, Lynching at Home may appear to be a curious addition to the scholarship on lynching. The book focuses on only four lynchings that occurred in Florida during the 1940s, when the practice was rapidly declining and in a state that does not loom large in the public memory of lynching. But Tameka Bradley Hobbs makes a convincing argument that these lynchings reveal important insights into the evolution of white supremacy in twentieth-century America.

Democracy Abroad, Lynching at Home: Racial Violence in Florida - Florida Scholarship. When most people think of lynching and racial violence in the South, the Sunshine State does not immediately come to mind. While many consider Florida to be less “southern” than, say, Georgia or Mississippi, when examined in proportion to its African American residents, the state experienced more racial violence than any state in the nation.
