"I take care of the earth because I know I can do little things every day to make a BIG difference..." With his signature blend of playfulness and sensitivi, Todd Parr explores the important, timely subject of environmental protection and conservation in this eco-friendly picture book. Featuig a circular die-cut Earth on the cover, and printed entirely with recycled materials and nontoxic soy inks, this book includes lots of easy, smart ideas on how we can all work together to make the Earth feel good - from planting a tree and using both sides of the paper, to saving energy and reusing old things in new ways. Best of all, the book includes an interior gatefold with a poster with tips/reminders on how kids can "go green" everyday. Equally whimsical and heartfelt, this sweet homage to our beautiful planet is sure to inspire readers of all ages to do their part in keeping the Earth happy and healthy.

The Cat in the Hat takes readers on an out of this world reading adventure through outer space! The Cat in the Hat's Learning Library is a nonfiction picture book series that introduces beginning readers ages 5-8 to important basic concepts. Learn about the solar system, planets, the constellations, and astronauts, and explore the wonders of space with the help of everyone's favorite Cat in the Hat! Perfect for aspiring astronauts, or any kid who loves learning and science. The universe is a mysterious place. We are only just learning what happens in space. Featuring beloved characters from Dr. Seuss's The Cat in the Hat, the Learning Library are unjacketed hardcover picture books that explore a range of nonfiction topics about the world we live in and include an index, glossary, and suggestions for further reading.

On Earth Day, we find ways to help the Earth. Trina plants trees with her class. She forms an Earth Day club with her friends. What can you do to make every day Earth Day? Do your part to be a planet protector! Discover how to reduce, reuse, recycle, and more with Tyler and Trina in the Planet Protectors series, part of the Cloverleaf Books™ collection. These nonfiction picture books feature kid-friendly text and illustrations to make learning fun!

A new "green" series!: Little Green Books will educate children on what they can do to be more eco-friendly. The books in this line will be made from recycled materials, and the storylines will cover subjects such as improving the environment, learning about endangered animals, recycling, and much more. Meet Max the Little Monster. He is a cute, furry green monster who is an environmental nightmare. Among other things, he leaves on all the lights, keeps his computer plugged in, blasts the TV, hoards his old toys and uses so much toilet paper it clogs the toilet until finally, his excessive ways cause a power outage. With no TV to watch, computer to play on, video games to play with, Max finds there is a whole big world outside that he can make a difference in the environment. Kids can follow Max the Little Green Monster's journey to environmental awareness and learn tips on how they can become little green monsters themselves. A kid-friendly glossary of terms is included in the back of the book. This 8x8 paperback is perfect bound and will be printed on 100% post-consumer waste recycled paper with soy-ink. The paper is FSC certified.

#1 New York Times bestseller A TIME Magazine Best Book of the Year A NPR Best Book of 2017 A Boston Globe Best Book of 2017 "Moments of human intimacy jostle with scenes that inspire cosmic awe, and the broad diversity of Jeffers's candy-colored humans...underscores the twin messages that 'You're never alone on Earth' and that we're all in this together."--Publisher's Weekly (starred review) "A true work of art."--BuzzFeed Oliver Jeffers, arguably the most influential creator of picture books today, offers a rare personal look inside his own hopes and wishes for his child--and in doing so gifts children and parents everywhere with a gently sweet and humorous missive about our world and those who call it home. Insightfully sweet, with a gentle humor and poignancy, here is Oliver Jeffers' user's guide to life on Earth. He created it specially for his son, yet with a universality that embraces all children and their parents. Be it a complex view of our planet's terrain (bumpy, sharp, wet), a deep look at our place in space (it's big), or a guide to all of humanity (don't be fooled, we are all people), Oliver's signature wit and humor combine with a value system of kindness and tolerance to create a must-have book for parents. Praise for Here We Are: -"A sweet and tender distillation of what every Earthling needs to know and might well spend a lifetime striving to achieve. A must-purchase for new parent shelves"--School Library Journal -"From the skies to the animal kingdom to the people of the world and lots of other beautifully rendered examples of life on Earth, Here We Are carries a simple message: Be kind." --NPR -"[An] enchanting gem of a children's book"--NBC's Today Show -"A must-have book for parents."--Gambit -"A celebration of people all shapes and sizes, and of the beauty and mystery of our Earth."--Booklist -"...a beautifully illustrated guide to living on Earth and being a good person."--Brightly -[Here We Are] is a tour through the land, the sea, the sky, our bodies; dioramas of our wild diversity...[Jeffers] is the master of capturing the joy in our differences."--New York Times Book Review

Presents general information about the planet Earth, including its place in the solar system, what it is made of, and its moon.

From two-time Caldecott Winner author-illustrator Sophie Blackall! If You Came to Earth is a glorious guide to our home planet, and a call for us to take care of both Earth and each other. This stunning book is inspired by the thousands of children Sophie Blackall has met during her travels around the world in support of UNICEF and Save the Children. • An engaging storybook about a single curious and imaginative child • Simultaneously funny and touching • Carries a clear message about the need to care for the earth and each other If you come to Earth, there are a few things you need to know. . . We live in all kinds of places. In all kinds of homes. In all kinds of families. Each of us is different. But all of us are amazing. And, together, we share one beautiful planet. This masterful and moving picture book is a visually comprehensive guide to the earth, imbued with warmth and humor. • Ideal for children ages 3 to 5 years old • A great pick for teachers looking for a crowd-pleasing picture book about the world for little students • Perfect for parents, grandparents, and caregivers • You'll love this book if you love books like The Travel Book by Lonely Planet Kids, Atlas of Adventures by Rachel Williams, and If You Lived Here: Houses of the World by Giles Laroche.

What happens when one small boy picks up one small piece of litter? He doesn't know it, but his tiny act has big consequences. From the miniscule to the universal, What Matters sensitively explores nature's connections and traces the ripple effects of one child's good deed to show how we can all make a big difference.

Celebrate Earth Day with this valentine to our wonderful planet from the Newbery Award–winning author of Sarah, Plain and Tall. Our friend Earth does so many wonderful things! She tends to animals large and small. She pours down summer rain and autumn leaves. She sprinkles whisper-white snow and protects the tiny seeds waiting for spring. Readers of all ages will pore over the pages of this spectacular book. Its enticing die-cut pages encourage exploration as its poetic text celebrates everything Earth does for us, all the while reminding us to be a good friend in return. • Interactive format and kid-friendly art will engage both toddlers and young readers. • A celebration of the natural world and rallying cry for positive action for Planet Earth • Great opportunities to share life science concepts and amazing facts about the environment with children This beautiful and innovative ode to our natural world will appeal to readers of Here We Are: Notes for Living on Planet Earth, The Poet's Dog, and Thank You, Earth. • Read aloud books for kids ages 3-5 • Earth books for kids • Climate change books for kids Patricia MacLachlan is an acclaimed author who has written dozens of books—from picture books to novels—including the Newbery Medal winner Sarah, Plain and Tall and the Barkus series, also published by Chronicle Books. She lives in western Massachusetts. Francesca Sanna grew up on the Italian island of Sardinia. She studied illustration at the School of Visual Arts in New York and the Academy of Art and Design in Lucerne. Her book The Journey received five starred reviews and was lauded by the New York Times and the Guardian. Francesca currently lives in Zurich, but you can visit her at francescasanna.com.

As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a household classic that will now reach an even wider audience. Never before have Shel Silverstein's children's books appeared in a format other than hardcover. Since it was first published fifty years ago, Shel Silverstein's poignant picture book for readers of all ages has offered a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Rabbit. And don't miss these other Shel Silverstein ebooks, Where the Sidewalk Ends, and A Light in the Attic!
