This text gives business law instructors the flexibility to deal with all of the topics, to customize their course by supplementing it with additional material, and/or to concentrate on an area of specialization.

Download Ebook Fundamentals Of Canadian Business Law Second

The key words for this text are: "clear, concise and relevant". Most students taking this course are not going to be lawyers and therefore the emphasis is on a strong business orientation. Key features and competitive advantages include additional core topics such as

risk management, negligence, and
intellectual property. Case material
has also been integrated into each
chapter to illustrate the key topics and
is presented in summary format as
well as in hypothetical examples.
Numerous features within the text
demonstrate business law to students
