Developer documentation for all DevExpress products. Use Report Controls. Aug 18, 2020; The documents in this section describe how to use the standard report controls, custom and third-party controls:

Use Report Controls | Reporting | DevExpress Documentation

The AICPA responded by creating a framework to enable a broader type of third party attestation reporting on controls at service organizations beyond merely financial reporting. This framework is the Service Organization Control (SOC) reporting framework. The SOC framework has 3 different reporting options: SOC1, SOC2, and SOC3.
