Provides an overall introduction to the welding process, illustrating most of the common equipment and work techniques for both the home and shop welding.

This book takes us for the first time into the heart of the fast growing information empire of Facebook, inviting us to high level meetings with Mark Zuckerberg; lifting the veil on long nights of relentless hacking and trolling; taking us behind the scenes of raucous company parties; and introducing us to the personalities, values, and secret ambitions of the floppy haired boy wonders who are redefining the way we live, love, and work. By revealing here what is really driving both the business and the culture of the social network, the author answers the biggest question of all: What kind of world is Facebook trying to build, and is it the world we want to live in?

In a thorough overview of the fundamentals of employment law, a labor and employment attorney discusses everything from sexual harassment and confidentiality agreements to the Family and Medical Leave Act to hiring and firing policies. Original. 20,000 first printing.

Ask Dr. Mueller captures the glamour and grittiness of Cookie Mueller's life and times. Here are previously unpublished stories - wacky as they are enlightening - along with favorites from Walking Through Clear Water in a Pool Painted Black and other publications. Also the best of Cookie's art columns from Details magazine, and the funniest of her advice columns from the East Village Eye, on everything from homeopathic medicine to how to cut your cocaine with a healthy substance. This collection is as much an autobiography as it is a map of downtown New York in the early 780s - that moment before Bright Lights, Big City, before the art world exploded, before New York changed into a yuppie metropolis, while it still had a glimmer of bohemian life.
