are particularly important in the field of cosmetology because the hard-and-fast rules that apply to more structured industries are frequently absent in the salon. By its nature, the salon is a creative workplace where you are expected to exercise your artistic talent. The salon is also a highly social atmosphere that requires strong self-discipline and excellent people skills. Besides making ...

Milady's Standard Cosmetology Textbook 2012, 1st ed.

Cosmetology (kahz-muh-TAHL-uh-jee) is a term used to encompass a broad range of speciality areas, including hairstyling, nail technology, and esthetics. Cosmetology is defined as the art and science of beautifying and improving the skin, nails, and hair and includes the study of cosmetics and their application. The term comes from the Greek word kosmetikos, meaning skilled in the use of ...
