MORAL ISSUES IN BUSINESS, 13E examines the moral dilemmas that are common to today's business climate and gives readers the analytical tools to resolve those issues. Using a combination of true stories, interesting reading selections, and a conversational writing style, this edition prepares readers for the moral quandaries awaiting them in the professional world. Featured topics include: the nature of morality, individual integrity and responsibility, economic justice, pitfalls of capitalism, and corporations' responsibilities to consumers and the environment. Plus, this edition also discusses situation-specific concepts such as downsizing, whistle blowing, sexual harassment, job discrimination, animal abuse, and drug testing. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Delve into the core of ethics today in your course with the latest practical, applied coverage found in Ferrell/Fraedrich/Ferrell's BUSINESS ETHICS 2009 UPDATE. Whether you use this book as a supplement or primary text in your undergraduate or graduate course, the accessible, up-to-date approach provides unmatched insights into the complex environment in which contemporary managers make ethical decisions. The book's solid managerial framework and new updates highlight the latest developments in ethics and how they relate to overall ethics concepts, processes, and best practices used throughout successful business ethics programs. Your students see how ethics can play a critical role in key strategic business decisions. Captivating new cases and engaging examples reflect today's most recent business developments and crises. Rather than focusing on intellectual reasoning alone or a philosophical discussion of ideas, the book's proven learning features help students prepare and practice confronting the types of actual ethical dilemmas they will face in today's business world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

What does pleasure have to do with morality? What role, if any, should intuition have in the formation of moral theory? If something is 'simulated', can it be immoral? This accessible and wide-ranging textbook explores these questions and many more. Key ideas in the fields of normative ethics, metaethics and applied ethics are explained rigorously and systematically, with a vivid writing style that enlivens the topics with energy and wit. Individual theories are discussed in detail in the first part of the book, before these positions are applied to a wide range of contemporary situations including business ethics, sexual ethics, and the acceptability of eating animals. A wealth of real-life examples, set out with depth and care, illuminate the complexities of different ethical approaches while conveying their modern-day relevance. This concise and highly engaging resource is tailored to the Ethics components of AQA Philosophy and OCR Religious Studies, with a clear and practical layout that includes end-of-chapter summaries, key terms, and common mistakes to avoid. It should also be of practical use for those teaching Philosophy as part of the International Baccalaureate. Ethics for A-Level is of particular value to students and teachers, but Fisher and Dimmock's precise and scholarly approach will appeal to anyone seeking a rigorous and lively introduction to the challenging subject of ethics. Tailored to the Ethics components of AQA Philosophy and OCR Religious Studies.

This in-depth examination of the major theories of economic justice focuses on the central question: What should the economic distribution of goods and services be based on?

CONTEMPORARY ISSUES IN BUSINESS ETHICS, 6E introduces readers to business ethics by focusing on the influence of market mechanisms and social values on workplace norms. And because business is increasingly a global enterprise, this edition emphasizes the role of ethics both at home and abroad. CONTEMPORARY ISSUES IN BUSINESS ETHICS, 6E also takes time to look at ethics from the unique perspectives of either employee or employer. Along the way, readers also learn about such topics as ethical relativism, ethics and the law, virtue ethics, and ethical decision-making. Important Notice: Media content referenced within the
