Pharaoh Jackie French
Chapter Summaries

- The 'ancient Egypt' most of us think about is the Egypt of the pyramids or Cleopatra - and with 'Pharaoh' Jackie French is writing about 5,000 years ago, a time that was 'ancient' even to Ramses or Imhotep. No popular history books give much information about this time.

Pharaoh Jackie French Chapter Summaries

The term was first officially used in 1877 (“Impressionism”). The artists of this movement were characterized as impressionists because of their simplified works (“Monet, Claude Oscar”). They were part of a group in which the artists shared similar styles and techniques between 1867 and 1886.

Pharaoh by Jackie French. 1
January 2017. Although he
was no longer Prince, Narmer
always thought like one when
it came to Thisis. "He
suddenly imagined what
Thisis could do with canals
like these, to take water
from the river into the
drylands, beyond the reach
of the flood. " (Pg 157)
Secondly, Narmer showed
leadership skills when he
arrived back to Thisis from
Sumer.
