The thesis suggests that the prohibition of abuse of law is a legal principle in Dworkin-Alexy's theory. But as it will turn out it may depend on the specific approach to law. The final question therefore will be whether we are able to find a unique label of prohibition of abuse of law even in different approaches to law and what it would mean.

In civil law jurisdictions, abuse of rights (also known as Prohibition of Chicane) is the exercise of a legal right only to cause annoyance, harm, or injury to another. The abuser is liable for the harm caused by their actions. Some examples of this are abuse of power, barratry, frivolous or vexatious litigation, a spite fence or wall, forum shopping, abuse of process, malicious prosecution ...
