This new edition of Christopher Stone's Plastic Surgery Facts And Figures has been completely revised and updated in line with modern practice. The content reflects the changes in the FRCS Plastic Surgery Curriculum and the book is now organised according to the curriculum's major headings.

Download Ebook Stones

Written chiefly in note form to aid revision and retention, the book provides an overview of the full spectrum of plastic surgery practice. The text has been significantly expanded and re-edited to improve clarity and readability. Clinical anatomy, points of

Download Ebook Stones

technique and the fundamental principles relevant to each subject area are explained. Relevant published articles are reviewed and illustrations have been included to reinforce important concepts. The specific focus on the FRCS Plastic Surgery exit examination makes

Download Ebook Stones Plastic Surgery Facts And Figures

this invaluable reading for examination candidates. This volume offers a factual and diverse overview of the body of knowledge in the specialty and is useful for trainees at all levels.

Designed specifically to help senior plastic
