The Humanist Tradition. China, India and Western Europe all have traditions of humanist thinking that can be traced back at least 2,500 years. This way of understanding the world, of finding meaning in life, and of grounding moral thinking is also found in many other cultures. You can trace the movement of humanist ideas through time in the following sections.

Human Tradition. Just as religious people often follow other religious authority that differs from God's word, so they often follow human traditions that differ from God's word. Jews follow many traditions that are human in origin and differ from God's word. The movie "Fiddler on the Roof" memorialized this in song.

The Culture is a fictional interstellar post-scarcity civilisation or society created by the Scottish writer Iain M. Banks and features in a number of his space opera novels and works of short fiction, collectively called the Culture series.. In the series, the Culture is composed primarily of sentient beings of the pan-human variety, artificially intelligent sentient machines, and a small ...

~~The Culture—Wikipedia~~

Culture is the patterns of learned and shared behavior and beliefs of a particular social, ethnic, or age group. It can also be described as the complex whole of collective human beliefs with a structured stage of civilization that can be specific to a nation or time period. Humans in turn use culture to adapt and transform the world they live in.

Focusing on life stories that represented movement across or around the Atlantic Ocean from 1500 to 1850, The Human Tradition in the Atlantic World, 1500 – 1850 explores transatlantic connections by following individuals whose experience took them far beyond their local communities to new and unfamiliar places. A formidable barrier, the Atlantic Ocean profoundly influenced the lives it touched.
