2018 Newbery Honor Book and Coretta Scott King Author Award Winner 'Important and deeply moving' JOHN GREEN 'Timely and timeless' JACQUELINE WOODSON Jade is a girl striving for success in a world that seems like it's trying to break her. She knows she needs to take every opportunity that comes her way. And she has: every day Jade rides the bus away from her friends to a private school where she feels like an outsider, but where she has plenty of opportunities. But some opportunities Jade could do without, like the mentor programme for 'at-risk' girls. Just because her mentor is black doesn't mean she understands where Jade is coming from. Why is Jade always seen as someone to fix? But with a college scholarship promised at the end of it, how can Jade say no? Jade feels like her life is made up of hundreds of conflicting pieces. Will it ever fit together? Will she ever find her place in the world? More than anything, Jade just wants the opportunity to be real, to make a difference. In this World Fantasy Award-winning novel of magic and kungfu, four siblings battle rival clans for honor and power in an Asia-inspired fantasy metropolis. *Named one of TIME's Top 100 Fantasy Books Of All Time * World Fantasy Award for Best Novel, winner Jade is the lifeblood of the island of Kekon. It has been mined, traded, stolen, and killed for -- and for centuries, honorable Green Bone warriors like the Kaul family have used it to enhance their magical abilities and defend the island from foreign invasion. Now, the war is over and a new generation of Kauls vies for control of Kekon's bustling capital city. They care about nothing but protecting their own, cornering the jade market, and defending the districts under their protection. Ancient tradition has little place in this rapidly changing nation. When a powerful new drug emerges that lets anyone -- even foreigners -- wield jade, the simmering tension between the Kauls and the rival Ayt family erupts into open violence. The outcome of this clan war will determine the fate of all Green Bones -- and of Kekon itself. Praise for Jade City: "An epic drama reminiscent of the best classic Hong Kong gangster films but set in a fantasy metropolis so gritty and well-imagined that you'll forget you're reading a book." --Ken Liu, Hugo, Nebula, and World Fantasy Award-winning author "A beautifully realized setting, a great cast of characters, and dramatic action scenes. What a fun, gripping read!" --Ann Leckie, Hugo,

There is a legend of the New World that has endured for centuries: the strange, tragic tale of a King, a Witch . . . and a blue gem of intoxicating beauty said to grant extraordinary power to whoever possesses it. Archaeologist Juana Sanchez, convinced that she's discovered the key to unlocking the mystery of the fabled Queen Jade, ventures into the Central American jungle alone—just ahead of the relentless pounding fury of Hurricane Mitch. When the terrible storm is over, Juana is gone, and an ancient, long-buried jade mine has been uncovered in the mountains of Guatemala, giving new hope to all obsessed seekers of the legendary stone. But it is a different obsession that plunges Juana's daughter—scholar and bookseller Lola Sanchez—into the remarkable adventure of a lifetime. For only by following the Queen Jade's perilous, cursed trail can Lola hope to find her vanished mother . . . if it isn't already too late.

Thrust into leadership upon the death of his emperor father, young Prince Ahkin feels completely unready for his new position. Though his royal blood controls the power of the sun, he's now responsible for the lives of all the Chicome people. And despite all Ahkin's efforts, the sun is fading—and the end of the world may be at hand. For Mayana, the only daughter of the Chicome family whose blood controls the power of water, the old emperor's death may mean that she is next. Prince Ahkin must be married before he can ascend the throne, and Mayana is one of six noble daughters presented to him as a possible wife. Those who are not chosen will be sacrificed to the gods. Only one girl can become Ahkin's bride. Mayana and Ahkin feel an immediate connection, but the gods themselves may be against them. Both recognize that the ancient rites of blood that keep the gods appeased may be harming the Chicome more than they help. As a bloodred comet and the fading sun bring a growing sense of dread, only two young people may hope to change their world. Rich in imagination and romance, and based on the legends and history of the Aztec and Maya people, *The Seventh Sun* brings to vivid life a world on the edge of apocalyptic disaster.
