The Special Law Governing Public Service Corporations And ...

The purpose of a governing law clause is to express the parties' choice as to what that law should be. Why is a governing law clause important? The parties' choice of governing law will usually be upheld by courts in countries with developed legal systems.

Governing Law Clauses | Ashurst

Special districts are independent, special-purpose governmental units that exist separately from local governments such as county, municipal, and township governments, with substantial administrative and fiscal independence. They are formed to perform a single function or a set of related functions. The term special district governments as defined by the U.S. Census Bureau excludes school districts. In 2007, the U.S. had more than 37,000 special district governments.

Special district (United States) - Wikipedia

The general definition of the public sector includes government ownership or control rather than mere function and thereby includes, for example, the exercise of public authority or the implementation of public policy.

Public sector | economics | Britannica

Passed by Congress in 1975, this was the first special education law directed at students with physical and mental disabilities. The law stated that public schools must provide children with special needs with the same opportunities for education as other children.
