Oct 30, 2020. "Whatever you want to do, you can do it with Excel," my colleague, Greg, motioned to me, over a round of burgers and fries. At the time, I was still in the training phase of a new job working as a programmer in a large, NYC-based media company, and was still learning the ropes. Over the following weeks, Greg taught me all he knew about how to make a powerful spreadsheet.
